The Maryland Department of Health invites all healthcare workers and environmental services staff to MD Project Firstline!

Online Independent Study: Scan the QR code to visit the MD PROJECT FIRSTLINE site and select any of the FREE infection control courses. Earn a certificate for each course!

Scan to Visit Project Firstline

Group Training Sessions: Our instructors can lead FREE in-person or virtual training sessions for your team members. Project Firstline can also provide you with the presentation materials to lead your own group sessions. Scan below to request a session or materials.

Please scan the QR code or go to the Facilitated Course Request Form to request group training or materials. We will respond promptly to plan your group training session.

We encourage you to take advantage of this FREE infection control training with updated resources from the CDC.
