

# Ready to Earn Continuing Education Credits?

Earn continuing education (CME, CNE, CPE) credit by taking courses in MD Project Firstline's learning management system, by attending a webinar, and/or by participating in an in-person group session! Project Firstline courses contain one or more CDC video episodes that can be viewed on different dates and in different types of training sessions for CME, CNE and CPE.

Get started in three easy steps:

1. Create a login at CDC [Training and Continuing Education Online](#) (TCEO).
2. Search for the courses as "CDC Project Firstline," select the type of CE and leave the date as "Any."
3. Select the course that contains the episodes you viewed and follow the TCEO instructions.

The CDC Training and Continuing Education Online site (TCEO) provides CME, CNE or CPE for physicians, physician assistants, pharmacists, advanced practice nurses and registered nurses. Please [contact TCEO](#) through their website for any issues claiming CE.
