MD Project Firstline Incentives

Complete Online Courses and Earn a $50 e-Gift Card

Complete all 20 free MD Project Firstline infection control courses on the **MD Project Firstline learning site** to earn a $50 e-gift card!

A Feedback Form must be completed after completing each course and you must be a healthcare worker or environmental services staff in a healthcare setting in Maryland. Eligibility will be verified.

While supplies last.

Attend Project Firstline Webinars or Complete an Online Course for a Chance to Earn a $25 e-Gift Card

Every month, one learner will be randomly selected to earn a $25 e-gift card. To qualify, complete a Feedback Form after attending any free MD Project Firstline webinar or after completing an online course on the MD Project Firstline site. **Register for upcoming Project Firstline webinars.**

You must be a healthcare worker or environmental services staff in a healthcare setting in Maryland. Eligibility will be verified.

While supplies last.
