

Ready to Earn Continuing Education Credits?

Earn continuing education (CME, CNE, CPE) credit by taking courses in MD Project Firstline's learning management system, by attending a webinar, and/or by participating in an in-person group session! Project Firstline courses contain one or more CDC video episodes that can be viewed on different dates and in different types of training sessions for CME, CNE and CPE.

Get started in three easy steps:

1. Create a login at CDC [TRAIN](#).
2. Search for the courses by course number (e.g., WD4427R).
3. Register for the course, indicating you are interested in CE, and select the type of CE you would like to apply for. Provide the information that is requested (e.g., degree, ID number, etc.) before completing registration.
